Design Competition for Proof of concept development:

- This is the next step after the "Idea Competition".
- Ideas selected by evaluation committee at the end of the Idea Competition should be invited to give a presentation to the Evaluation Committee based on their idea submitted.
- IICs should organize Design Competition / Workshop for awareness among students who submitted the idea for designing and development of Proof of Concept of Idea submitted.
- Teams/Individuals who gives reasonable “proof of concept” about how they will work on their ideas in future and what is their plan regarding idea submitted etc. and if evaluation committee finds their claim appealing they should be selected for next stage of competition i.e. Proof of Concept Exhibition at Institute level.
- For this stage IICs are not supposed to upload any report on portal.

Note: For all updates and IIC activities login to your IIC at -
